

EMAQ Live

Attenborough Hall, Leicester City Hall

Tuesday 9th September 2025, 09:30 – 16:00

Ricardo and the EMAQ+ team are pleased to announce the first EMAQ Live event, which will be held in Leicester City Hall on Tuesday 9th September 2025.

The event will bring together **local authority staff involved in improving air quality**, including representatives from environmental health, planning, transport, public health and climate teams. During the event, we will discuss the challenges and opportunities for improving air quality in the UK, provide an update on the latest developments in Local Air Quality Management, hear examples of effective action to improve air quality from around the country, and create a Community of Practice between EMAQ members involved in tackling this critical environmental challenge.

The event is solely for local authority staff, will be delivered in-person, and is **free for all EMAQ+ subscribers**, although places are limited, so don't forget to register!

Ricardo-AEA Ltd

Gemini Building, Fermi Avenue, Harwell,

Oxfordshire, OX11 0QR

Tel: +44 (0)1235 753 000 Web: ee.ricardo.com

Local authority staff who do not hold an EMAQ+ subscription can still secure a place for just £95. Lunch and refreshments will be provided.

If you'd like to register a place, please send an email to emaq@ricardo.com, confirming the names of the individuals you'd like to attend (limited 3 per local authority).

The Ricardo and EMAQ+ team look forward to seeing you at the first EMAQ Live!
